Dear Potential Allied Member:

The Ontario Association of Career Colleges (OACC) is in its 38th year of operation in Ontario serving over 260 private career colleges and their students.

OACC offers two types of membership – Active and Allied.

- Active Members are Private Career Colleges in Ontario.
- Allied Members are suppliers of products and services to Active Members and their students.

We are writing at this time to make you a special offer of Allied Membership with OACC at the reduced rate of \$500.00.

Allied Membership benefits include the following:

- A listing of your company (and logo) on the OACC website with a brief description of the services you provide
- Links from the OACC website to your website
- Information on the annual conference for OACC combined with an opportunity to exhibit at a special Allied membership rate
- Inclusion in mailing, group emails and group faxes to member colleges
- Circulation of a one-page promo to members on a quarterly basis

We hope that you will see value in Allied Membership with OACC. An Application form and invoice are enclosed for your convenience. Please complete and forward to Lorna Mills at OACC Head Office along with your cheque for Allied membership fees. We look forward to hearing from you and hope to welcome you as an Allied member.

Should an alternative arrangement be more suitable to your needs do not hesitate to let us know. We would be most pleased to assist you in this matter.

Yours truly,

Lorna Mills,
Office Manager
Encl.
