## HOW ARE MEMBERSHIP FEES DETERMINED?

### Members with one campus location:

To determine your Membership Fees payable to OACC, please refer to the "OACC Fee Structure Table 2011 – 2012" on the reverse of this sheet. Find the revenue category that corresponds with your institution. The amount listed to the right hand side of your determined "gross revenue from all registered programs" is the amount that is to be submitted to cover Membership Fees.

Please indicate the amount here: \$ \_\_\_\_\_

### Members with more than one campus location:

Please follow the instructions above for Members with one campus location to determine membership fees based on total revenue from all registered programs.

Please indicate the amount here: \$ \_\_\_\_\_

**Also** complete the following calculation:

Number of campuses \_\_\_\_\_ x \$ 500.00 = \_\_\_\_\_

The **greater** of the two is the amount that is to be submitted to OACC to cover Membership Fees.

**TOTAL AMOUNT REMITTED: \$ \_\_\_\_\_**
